WHAT'S HAPPENING

DID YOU KNOW...

You can now access Pathways via the resource links on my.pitt.edu? Click on the "Advise Students" resource block and you will be connected to Pathways.

Check out the new [Pathways Website!](#) Information on Frequently Asked Questions, Resources, Policies, and more is always available online!

Pathways Success Stories

"Pathways was a huge help for me this past school year. I work with two different student bodies and Pathways really assisted me in separating the two. Previously, I was only able to do this using different excel spreadsheets. Using Pathways, I was able to keep my student bodies under different watch lists. I could then use the sort function, notes section, schedule function, and much more to not only keep track of these students, but to ensure I was obtaining all of the information that I needed to help them.

Overall, I was impressed with how easy the system was to use. I wasn't sure how long it would take me to 'pick up' pathways, but I got the hang of it very quickly. I'm really looking forward to the opportunity to continue using it" ---Kaitlyn Washko Academic Advisor, First-Year Engineering Program, Swanson School of Engineering.

Referral System

Remember, the referral system on the Pittsburgh Campus is up-and-running! This month we feature the Study Abroad Referral: A referral to the **Study Abroad Office** should be made when you learn that a student is interested in studying abroad. When the referral is made, the Study Abroad Office will respond with a personalized message based on the student's unique program interest. If no detail is provided, the email will refer the student to general Study Abroad resources. Check out the most up-to-date referrals [here](#).

UPCOMING EVENTS

Pathways Steering Committee

- January 8

Pathways Faculty Committee

- January 9

Pathways Implementation Committee

- January 13

Visit the [Personalized Education](#) website for more information on workshops for mentors and advisors.

2020 Mentoring and Advising Summit

- March 5, 2020
